This is a suggested sequence timeline only. A student may require more than four semesters to complete an Associate in Applied Science degree.

The Associate in Applied Science degree program in Accounting—Business Management can be completed in conjunction with the Associate in Science degree in Business Administration, allowing a student to graduate from Northern holding two degrees. Twelve credit hours in addition to the Associate in Science in Business Administration will complete the dual degree program.

The Business Division is accredited by the Association of Collegiate Business Schools and Programs (ACBSP). Outstanding Business students are invited to join Kappa Beta Delta, the business honor society recognized by ACBSP.

Career Opportunities:

- Basic Entrepreneurial Activities
- Bookkeeping/Accounting Clerk
- Entry-Level Management

NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by ACT test scores or by COMPASS test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, some or all of the following six (6)) courses may need to be taken:

This is a suggested sequence timeline only. A student may require more than four semesters to complete an Associate in Science degree.

The Digital Media Animation and Design program is designed to provide new opportunities for creative artists in the growing field of digital media. The program will prepare individuals with the knowledge and skills necessary to communicate their ideas through the art of advanced computer graphics.

Career Opportunities

- Graphic Designer / Web Designer
- Motion Graphics Animator
- 3DModeler/Animator
- Texture Artist
- Game Asset/Level Designer
- Post-Production Specialist
- Visual Effects Artist
- Editor ~ Movies, Commercials, Broadcast

Students must complete the following coursework at the MerCruiser Corporation: (Contact hours are listed within parentheses)	
IH-OT Operator Training Program (535 hrs), EC-305 Metallurgy of Aluminum Die Casting Alloys (136 hrs), EC-407 Machine Maintenance: Mechanics (144 hrs), EC-410 Process Control (152 hrs), EC-411 Die Casting Lubricants and Coolants (136 hrs), EC-415 Die Cooling Systems Engineering (144 hrs), EC-515 Die Casting Defects (144 hrs), EC-211 Dimensional Repeatability (136 hrs), EC-413 Problem Solving (144 hrs), EC-514 Gating Design (144 hrs), EC-501 Die Material Metallurgy & Extending Die Life (144 hrs), EC-606 Product Design (136 hrs) and EC Die Casting Machine Safety (48 hrs). Courses may be substituted with graduation adviser's approval.	
 Students are required to pass a certification examination for each of the above courses before credit can be transcribed.	
TOTAL CREDIT HOURS.....	60

This Associate in Applied Science degree program is designed to provide the engineers, technicians, and manufacturing specialists of the MerCruiser Corporation in Stillwater, Oklahoma, an opportunity to complete an Associate degree specifically designed to prepare them with the knowledge, technical skills, and job-related experiences necessary to make a significant contribution to their corporation. The specific areas of math, physics, and engineering mechanics form the basics of the degree program. A secondary objective of this program is the perpetuation of a quality workforce and statewide economic development.

Career Opportunities

The Associate of Applied Science Degree program in Process Automation Technology - Instrumentation is developed in partnership with the ConocoPhillips Corporation in Ponca City, Oklahoma, the OGE Energy Corporation throughout the state of Oklahoma, and the Technology Centers of Autry-Enid, Meridian-Stillwater, and Pioneer-Ponca City. This suggested curriculum serves Oklahoma and Kansas by providing participants with the knowledge and skills to satisfy entry level job requirements for the regions' and nations' major employers. Hands-on technical skills are augmented with theory and general education classes to position graduates for immediate success.

Career Opportunities

From energy production and petrochemical processing, to manufacturing, to warehousing and distribution systems, nearly every facility has a demand for persons trained and skilled in Process Automation Technology - Instrumentation. That demand translates to some of industries highest paid positions and most diverse career challenges. These include:

- Process computer programming
- Graphics development
- Control and monitoring of complex process and environmental analytical systems
- Control and monitoring of production facilities

Contact your faculty Graduation Adviser to learn more about the opportunities available with an NOC AAS Automation Technology Degree.

TOTAL CREDIT HOURS	60

This Associate in Applied Science degree program is designed to provide the engineers, technicians, and manufacturing specialists of the MerCruiser Corporation in Stillwater, Oklahoma, an opportunity to complete an Associate degree specifically designed to prepare them with the knowledge, technical skills, and job-related experiences necessary to make a significant contribution to their corporation. The specific areas of math, physics, and engineering mechanics form the basis of the degree program. A secondary objective of this program is the perpetuation of a quality workforce and statewide economic development.

Career Opportunities

* Required core courses must have been taken within the last 5 years with a grade of C or above. This can be waived if student has a degree or is an LPN.	

This is a suggested sequence timeline only. A student may require more than four semesters to complete an Associate in Applied Science degree.

Nursing is offered on all three NOC campuses: Tonkawa, Enid, and Stillwater. We have clinical sites at Ponca City, Stillwater, Enid and Blackwell. In the sophomore year there will be an additional clinical site at the Children's Hospital in Oklahoma City. The nursing students can participate in the Student Nurses Association, both local and national. The nursing program is accredited by National League for Nursing Accrediting Commission and Oklahoma Board of Nursing.

Students who desire to become candidates for the Associate degree in Nursing are required to make a formal application to the Division of Nursing for admission. This application must be submitted to the Division of Nursing on or before March 1. Formal approval by the Nursing Division is required before being admitted into actual nursing courses. GPA is heavily weighed since acceptance is highly competitive. Tuition for the Nursing program is the same as for all other students at Northern. A Nursing Skills lab fee is charged each semester. Upon completion of this degree a student is eligible to take the NCLEX-RN exam. After successful passage of this exam, the student is an RN prepared to pursue a career in nursing.

Career Opportunities

Registered Nurse (RN)

TOTAL CREDIT HOURS	62			

This is a suggested sequence timeline only. A student may require more than four semesters to complete an Associate in Applied Science degree.

NOC evaluates students for placement into either foundational or college-level courses, whichever will lead to the greatest possibility of student success. Academic placement is determined either by ACT test scores or by COMPASS test scores. These tests are administered in the Testing Center at NOC. Based upon the scores, some or all of the following six (6) courses may need to be taken:

- MATH 0003 Pre-Algebra
- MATH 0023 Concepts of Algebra
- MATH 0123 Intermediate Algebra
- ENGL 0123 Basic Composition
- READ 0123 Basic Reading
- BSCI 0123 Intro to Basic Science

Printing Technology

PROGRAM REQUIREMENTS

	Credit Hours
GENERAL EDUCATION	20
COMMUNICATIONS	
ENGL 1113 English Composition I	3
ENGL 1213 English Composition II	3
HISTORY AND GOVERNMENT	
HIST 1483 American History to 1865 (or)	
HIST 1493 Am. History Since 1865	3
POLI 1113 American Government.....	3
ORIENTATION	
LEAD 1101 Freshman Orientation.....	1
COMPUTER SCIENCE	
CS 1113 Computer Concepts	3
GENERAL EDUCATION ELECTIVES.....	4
Select courses from: Language Arts, Natural Sciences, Foreign Languages, Fine Arts, Humanities, Mathematics, Behavioral or Social Sciences	
PROGRAM REQUIREMENTS	30
GRAT 1113 Intro to Graphic Arts	3
GRAT 1143 Copy, Prep, Design	
and Layout	3
GRAT 1223 PrePress Technology	3
GRAT 2243 Offset Presswork I.....	3
GRAT 2253 Offset Presswork II.....	3
GRAT 2270 Printing Prod. Practicum I.....	6
GRAT 2280 Printing Prod. Practicum II	6
JOUR 1223 Digital Imaging I- Photoshop...3	
Substitutions may be made with prior approval.	
RECOMMENDED PROGRAM ELECTIVES	10
JOUR 1013 Intro to Mass-Communications 3	
JOUR 1113 Writing for Mass Media	3
JOUR 2113 Digital Imaging II- Photoshop...3	
BMGT 2263 Principles of Management.....	3
Substitutions may be made with prior approval.
